## ABOUT US

In the beginning, with the support from JOTUN INDONESIA, INTERNATIONAL PAINT and TOA PAINT INDONESIA, PT. SELARAS WARNA JAYA was established in 2019. During the journey, we have been supplying and applying both decorative and industrial paint to a wide-range of customers and industries.

Located in Gading Serpong, Tangerang, our facilities and equipments are designed for thorough and professional execution.

“Honest service and professional” is always the company’s business philosophy. We put our customers’ satisfaction as our main priority.

# SERVICES AND PRODUCTS

Along with the support from JOTUN INDONESIA, INTERNATIONAL PAINT, TOA PAINT INDONESIA, NIPSEA PAINT AND CHEMICALS (known as NIPPON PAINT), and ACE OLDFIELDS, we are pleased to mention that we are able to supply all type of paints and paint-related equipments.

We offer a total paint solutions. Any products within their product-range are ready to offer. Started from decorative paint, industrial paint, wood and steel paint, marine paint, epoxy, paint brush, paint roller, tray, up to wire brush.

Beyond that, we also offer painting, renovation, build, and maintenance services for your building. Our experienced and professional team will arrange it.

## LOOK BEYOND

Customers' satisfaction is our utmost priority. For us, a project is not just "another job", but we envision it as a solid base for a long term relationship.

## VISION

Providing a total paint solutions to support various nationwide industries, and at the same time delivering the best service and offer in the market.

## MISSION

Delivery of profesional services and genuine products. We are taking customers' satisfaction seriously.
